Florida has a base tax rate of 6%. Local taxes are in addition to this base rate.

Below is a list by County that includes the base rate (6%) plus any local taxes voted in by that county.

For detailed information please refer to the [History of Local Sales Taxes and Current Rates By County](#).

Please note that counties who self-administer their bed taxes are not required to report rate changes to the Florida Department of Revenue, therefore, their information may not be accurate.

We apologize for any inconvenience this may cause.
